

## MassHealth ICD-10 Vendor Testing Status - 11/25/2014

In July 2014 MassHealth began testing ICD-10 transactions with billing intermediaries, software vendors, and clearinghouses. The following table lists the status of vendor testing as of November 25, 2014. MassHealth will update this list periodically through the implementation of ICD-10. Please refer to this list to confirm the status of your vendor's testing with MassHealth. If you have any questions regarding the status of your vendor's testing, please contact the MassHealth Customer Service Center at 1-800-841-2900.
